

### Social Co-responsibility Policy:

The **Hotel Grand Teguisse Playa**, is aware and sensitive of the need to maintain good relations with the local community, reducing the socioeconomic impacts and maximizing the welfare of the staff, as evidenced by our **Travelife Gold, ISO 14001** and **Biosphere** seal certifications, guaranteeing that we meet the sustainability criteria:

- ✓ Promotion of Responsible Tourism in the area. We are committed to maintaining a close and cordial relationship with the local community, informing our customers and partners about the importance of preserving and protecting local flora and fauna. Our hotel is committed to local commerce, and therefore, local themed dinners are organized weekly in our Buffet to promote and make known the local food. The hotel does not encourage the sale of tickets or visits to businesses whose main attraction are animals in captivity.
- ✓ The Hotel prioritizes the hiring of local staff under equal conditions to enhance the local economy, helping to preserve it in its future, guaranteeing the sustainability of the business in the future.
- ✓ The Hotel Grand Teguisse Playa buys and promotes the products produced locally, which comply with the required health and safety measures, in addition to the standard required by our customers. This is how we work to reduce the CO2 footprint by reducing transport.
- ✓ We actively collaborate with local organizations that look after the most disadvantaged, giving them food, bedding or equipment that they can reuse.
- ✓ We actively participate in the promotion of local festivals and their culture facilitating our facilities if necessary for the enjoyment of the community or its agencies.
- ✓ The Hotel actively collaborates with foundations for the benefit of children with serious illnesses and other groups at risk of exclusion, with local festivals and sporting, cultural events in the locality and the actions that official bodies carry out to improve the lives of the residents.
